MISSOURI SHOWS US

MANY RESIDENTS IN GLENDALE REGISTER AS HAILING FROM GREAT CENTRAL STATE

As the registration of names from the different States goes on, the interest in the roll of States deepens. There is no doubt that if this interest had been existent at the beginning of the inquiry the States that began the registration would have sent in double the numbers registered. There may be a chance given them afterward to register.

Meanwhile Missouri has come forward with a fine list. The progressive inhabitants of that fine State are loyal to the place of their origin and have sent in their names with gratifying promptitude. This is as it should be; but even the Missourians have not registered everyone who hails from that fine central location.

Saturday is Illinois Day and there is certain to be a very imposing list of former inhabitants of Chicago and other cities; but do not let that keep you back. Send in your name and those of your friends and let Illinois have a first-class showing.

FIRST ROYAL WOMAN CHAUFFEUSE

LONDON, Oct. 26 (By Mail)—England's first royal "cheffeuse," or whatever you call a woman chauffeur, is Dot Carson, member of the Volunteer Aid Detachments the war called into being, has the honor not only of being the first woman chauffeur to

drive Queen Mary but even to be complimented by the latter on the achievement.

Queen Mary decided to visit Barn House at Whitstable. There was not a single male chauffeur to meet Her Majesty at the station. Miss Carson took this assignment, acting not only as a chauffeur but also as footman. She is 18.

CHRISTIAN CHURCH

The sermon this evening, "The Plea of the Disciples of Christ," or "Our Position As a Religious People," should be heard by every member of the church, young and old. We are very earnest in our desire to have our friends and religious neighbors hear this sermon.

The "Disciples of Christ" believe that they have an impregnable position and they are anxious that all shall hear it. Mrs. John Orth will sing: "Give Me a Heart Like Thine," and Mrs. J. D. Cole will sing, "I Want to Go There, Don't You?" The ordinance of Christian baptism will be administered tonight.

There are men who can offer complaint but they can not suggest a remedy that will stop the trouble.

RAYMOND LECTURE

"Holland" is the subject of the second lecture to be given by Prof. Raymond Saturday evening. All are interested in the heroic history of the Netherlands, their lands wrested from the waters, their canals and defenses. Dutch art is considered a manifestation of the freedom of the Dutch soul. The subject should be very interesting and especially so when handled by a man of Prof. Raymond's ability, with the aid of his wonderful set of stereopticon slides.

TROPICO

Mrs. C. L. Peckham of 245 N. Central Ave., entertained on Wednesday with a beautifully appointed luncheon in honor of Mrs. William Marsh Burns, who is the house guest of Mrs. Edward H. Weston. The spacious rooms were decorated with graceful cosmos and potted plants. Following the luncheon the affair quite resolved itself into a musical in which Miss Frances Peckham, daughter of the hostess, added much to the pleasure by her delightful violin numbers.

Mrs. Lorene Cramer of E. Acacia St., who, accompanied by her son Horace, has been spending some weeks at Murrieta Springs, has decided to lengthen her trip and goes to Imperial for a stay with her daughter. Returning by way of San Diego Mrs. Cramer will spend several weeks at the Exposition and other points of interest in the south.

By no means the least important feature of the Parent-Teacher Association's reception last night was the announcement of the next regular meeting, to be held the last Wednesday in November at the school. The regular business and social hour will be preceded by a class in parliamentary law. Attendance on this class cannot be urged too strongly, as this organization is for the benefit and use of every member of the Association and to do the work well and quickly it is essential that it be done in an orderly, business-like way. This is not a task or a disagreeable duty but a privilege and an opportunity to be taken advantage of, as the rules will not be merely read or studied from a book on parliamentary law, but will be put into actual practice at this half hour meeting, enabling each one to learn the order of business and accustoming them to preside or fitting them to fill their individual position whether officer or member. Mrs. Ella Richardson has kindly volunteered her aid and the outlook for the work is indeed good. Come to the regular meeting but come at 2:30 and join this class.

A goodly number was in attendance at the meeting of the Thursday Afternoon Club yesterday, in G. A. R. hall. Mrs. L. A. Gould spoke on "Prison Reform" and an interested discussion took place following her address, questions being asked and answered and methods discussed until the president was forced to interrupt by announcing the time for the social hour and even then the theme was continued while the guests enjoyed the delicious refreshments. Mrs. Charles Stewart added a note of brightness to the program by contributing a lovely song in her sweet, pure voice. Mrs. Leigh Bancroft, Mrs.

MONTROSE

Malcolm McNaughton's new \$50,000 residence above Montrose is rapidly nearing completion.

R. C. Walton, one of the tract owners at Montrose, is paving Rockland avenue with a decomposed granite wearing surface.

Moving pictures are being made by the Kalem company of Glendale, back of Montrose in the brush, the past few days. The scene is supposed to be Australia.

Mr. and Mrs. Gibbons, the latter's mother, Mrs. Wolffolk, and son Clarence Wolffolk, are new residents in this community. They moved into the Gray property.

The five acre tract adjoining that purchased by Dr. Crandall has been bought by J. C. Barrett of Los Angeles, who is connected with the Santa Fe, reports Edward Morris, tract agent. Mr. Barrett plans to establish his home in Montrose in the near future.

The Glendale and Montrose railway is very busy these days according to J. W. M. Burton, general manager. Mr. Burton states that at the present time, the company is busy unloading 135 cars of road material for county work at Montrose. Five miles of state highway is to be constructed in the vicinity of the G. & M. line, which will mean an enormous amount of haulage by that company's line. The state highway and county road work is in the vicinities of La Canada, Montrose and La Crescenta.

Neglect of duty often causes delay in work.
